

## Mohd. Haaris Amin

Front-End Developer

+91 8077931296 | [haarisamin123@gmail.com](mailto:haarisamin123@gmail.com) | [LinkedIn](#) | [GitHub](#)

---

### Professional Profile

Highly motivated and skilled Front-End Software Engineer with 15+ months of experience developing and deploying web applications using **React, Next.js, JavaScript, TypeScript, HTML, CSS, Firebase, Redux, Node.js and more**. Proven ability to manage multiple projects, meet deadlines, and deliver clean, efficient, and reusable code.

---

### Work Experience

**Nativebyte:** Associate Software Developer (Front-End Developer)

**Nov 2023 – Dec 2024**

Led front-end development on three projects. Built and maintained high-quality web applications using technologies such as Redux, Firebase, and Socket.IO. Gained hands-on experience with industry-grade tools and team collaboration workflows.

**Nativebyte:** Software Developer Intern (Front-End Developer)

**Sep 2023 – Oct 2023**

Quickly promoted to a full-time Associate Software Engineer within six weeks. Contributed to multiple features and enhancements during the internship period.

---
